

T.O.T.

Pain, fear and death  
Is what he's spreading

Lies, fake news and hate  
Is what he's telling

Not me just them  
Is what he's saying

He is the only one  
Is what he's praying

He is an insane motherfucker  
He's a piece of shit  
He tries to rule the world  
While he grabs your clit

Like a spoiled brat  
He is reacting

Old and obnoxious  
He is always acting

Low-class slob  
A pervert sleazebag

Phoney dopy clown

He is an insane motherfucker  
He's a piece of shit  
He tries to rule the world  
While he grabs your clit

**He is a motherfucker with a blond rug  
He is much more destructive than any drug  
He twitters all day long just useless shit  
About other lives, he doesn't care a bit**

Pestilence  
Malevolence  
Decadence  
Just spreading violence

Ignorant  
Belligerent  
Arrogant  
You'll be his servant

Corruption  
Deception  
Destruction  
Pure moral putrefaction
